

Crema dalla ricca consistenza studiata per contrastare i danni della pelle causati dall'invecchiamento per fattori genetici e ambientali. L'alta concentrazione di Fito-melatonina, Fior di Loto e Tetrapeptidi, potenti antiossidanti, agiscono sugli strati profondi dell'epidermide, modulano i processi ossidativi, sostengono i meccanismi naturali di difesa della pelle e proteggono il DNA cellulare. Crema quotidiana ultra ristrutturante con effetto lifting naturale che dona all'ovale del viso un aspetto più giovane e luminoso.

USO: applicare e massaggiare delicatamente su viso e collo fino al suo assorbimento. High compact cream designed to contrast skin damage caused by ageing due to genetic and environmental factors. The high concentration of Phytomelatonin, Lotus Flower, tetrapeptides and powerful antioxidants act on the deep skin layers, modulate oxidation processes, sustain the natural skin defence mechanisms and protect cellular DNA. Ultra-restructuring cream for daily use with natural lifting effect, giving facial traits a younger and more luminous aspect.

USE: apply and gently massage on the face and neck until it is absorbed.

NO PETROCHEMICALS, SLES, COLOURANTS, ADDED PRESERVATIVES AND PARABENS. DERMATOLOGICALLY TESTED NICKEL TESTED (LESS THAN 0.00001%)
