CREMA VISO

Una crema viso che assicura un'idratazione intensa e duratura grazie alla presenza di acido ialuronico e fiori di tiaré. Un prezioso aiuto naturale per donare alla pelle luminosità e morbidezza.

Acido ialuronico: Apporta idratazione allo strato corneo grazie alla sua spiccata capacità di legare e trattenere l'acqua.

Fiori di tiaré: Dall'azione idratante, lenitiva ed addolcente, è ideale per riequilibrare le pelli secche.

FACE CREAM

This face cream guarantees a deep, long-lasting moisturizing action thanks to the nourishing properties of hyaluronic acid and tiare flower. Precious natural ingredients that will make your skin brighter and softer.

Hyaluronic acid: It draws moisture into your skin and keep it hydrated, thanks to its water-binding and water-attracting capacity.

Tiare flower: with moisturizing, soothing and softening action, it helps dry skin recover its balance.

CREMA FACIAL

Una crema facial que asegura una hidratación intensa y de larga duración gracias a la acción del ácido hialurónico y del tiaré. Ingredientes naturales preciados para una piel más suave y luminosa.

Acido hialurónico: Aporta hidratación a la capa córnea de la piel gracias a su capacidad de captar y retener agua.

Flor de tiaré: gracias a su acción hidratante, lenitiva y emoliente, es ideal para equilibrar las pieles más secas.
